Subject: MARTON MOSS NEIGHBOURHOOD PLAN - ADDITIONAL SITES SUGGESTED FOR HOUSING ALLOCATION

Dear Stephen Woodhouse, Chairman
Cc Julian Jackson

RE: MARTON MOSS NEIGHBOURHOOD PLAN, BLACKPOOL – ADDITIONAL SITES SUGGESTED FOR HOUSING ALLOCATION

We have no specific comments to make on sites for 41 Stockydale Road, Amarella School Road at this stage. The potential impacts from recreational disturbance on coastal designated Special Protection Areas (SPAs) and Ramsar sites should be considered for the Common Edge Road site.

Should the proposals go forward we would assess any proposals for the site should the Local Planning Authority consult us for advice.

Regards,

Helen
